

JOB OPENING:

MOYER'S INC.
LANDSCAPE · CONCRETE · DESIGN · CONSTRUCTION

LANDSCAPE CONSTRUCTION FOREMAN OR TECHNICIAN

DESCRIPTION

A Moyer's Inc. landscape crew consists of 2-4 technicians working with a foreman in order to install custom landscape designs. These positions travel to outdoor construction sites locally within the Greater Madison Area. Our landscape crews are integral in the installation of outdoor patios and features, retaining and free-standing walls, low voltage lighting, landscape beds and plantings, grading, decking, decorative wood structures, and more. Snow removal work is expected in winter months. The abilities to be a leader, work with a team and clients, be hands-on, and problem solve are crucial to the success of these positions.

REQUIRED

- 18 years old minimum with valid driver's license
- Ability to work with hand tools as well as light and heavy power equipment
- Capacity to communicate and excel in a team working environment
- Ability to perform tasks requiring physical labor
- A passion for hands-on outdoor construction projects
- Excellent customer service and thoughtful demeanor

PREFERRED

- Previous experience as a landscape technician or foreman
- Experience operating small engine equipment, skid loaders and mini excavators
- Knowledge of landscape construction and materials

AVAILABILITY

- Full time position with snow removal in winter

BENEFITS

- Competitive pay with earned holiday and vacation
- Earned 401K retirement plan
- Company supplemented health care plan
